### **Member's Comments**

Paul Benson reported on the first meeting of the Membership Committee held on August 4<sup>th</sup>. It will meet on the 1<sup>st</sup> Monday of each Month at 7 pm at Kaladi City Market unless another venue is chosen. The mission of the committee is to develop and implement strategies that develop and strengthen the Fairview Community Council membership. Current members are Paul Benson, Michael Howard, and Benita White.

Allen Kemplen discussed his desire to get the Chronic Public Inebriate Workshop report presented before the Council for formal review in order to address any questions the body may have regarding the document. The document could then be referred back to the NRC for finalization if necessary and by October's membership meeting a vote could be taken in support of the recommendations made in the document.

Sharon Chamard reported on the attention this document is generating in the substance abuse treatment and mental health community. She spoke about the next forum on this topic being hosted by the council on October 21<sup>st</sup>, which will address the impact of chronic public inebriates on the community and policy recommendations, and suggested the membership could help fund the event.

She reminded everyone that payment is due from those who ordered special clothing (jackets, vests, etc.) in conjunction with the t-shirt order.

Harry Deuber –

- Beg. Balance Jun 13 \$4933.77
- Checks totaling \$507.75
- End. Balance July 15 \$4426.02

He reported that we raised a lot more money than we expended on the block party and that will be reflected on next month's report.

Allen pointed out the way the press reported on the recent shooting off Medfra. He suggested the pattern is discriminatory and reflects a negative bias towards our neighborhood.

Sharon reported a resident had suggested we create a fund to remove large debris like mattresses and furniture that is discarded on sidewalks and streets; this idea was referred to the beautification committee.

After discussing the agenda for the Membership meeting, the E-board meeting adjourned at 8:57 pm.
