

**Federation of Community Councils
Manager's Report
June 17, 2009**

Office:

We have moved most of the office furniture and files into a storage area here at the center in anticipation of construction of our new office walls. We hope that construction will begin in late July with completion in early August. We'll wait and see!

Capital Project Priorities lists

Thank you to each of the community councils that completed their capital projects priorities work sheet. Jim Lamson of Project Management and Engineering (PM&E) appreciated your hard work in getting them done on time!

Community Patrol grant status:

There is still a lot of community patrol grant funds awaiting expenditure. Come on and spend that money community patrols! You know who you are.

State Grants administered:

All grant reports are up to date.

Neighborhoods, USA (NUSA) Conference:

FCC representatives Jason Bergerson, Berni Bradley, Sheli Dodson and Mark Butler are headed down to Spokane, Washington to attend the 2009 NUSA conference in order to learn more about organizing the conference for Anchorage in 2011. I took lots of pictures that documented the NUSA conference. I created a powerpoint presentation of the event that we will show at the September FCC meeting.

Mark Butler
