## **Membership Meeting Minutes for May 19, 2005**

**Call to Order:** Dale Nelson called the meeting to order. April meeting minutes unanimously approved.

**President's Report:** Dale reported

1. Anchorage's Long Range Transportation Plan (LRTP) is under discussion at a series of meetings. More information is available at: <http://www.muni.org/transplan/2004LRTP.cfm>.
2. The Regulatory Commission of Alaska is considering changes to AWWU's metered rates. The RCA's web site is: <http://www.state.ak.us/rca/>.

**Treasurer reported** an account balance of \$1049.87.

**Other Reports:** There were no reports from the School District or the FCC. Our Legislative representatives were busy in chambers and not available to report.

**Old Business:** None

**New Business:**

1. Great Alaska Sanitation (whose website is <http://www.gas-alaska.com> or e-mail Bob Lundquist at [rlindquist@acsalaska.net](mailto:rlindquist@acsalaska.net) ) will offer curbside paper products recycling as soon as 1000 people have signed up for service. The cost will be \$6 per month for a paper pickup every two weeks at your home.

**Zoning Issues:**

1. Please check the MOA website for the many zoning issues in SACC territory. <http://gisweb.ci.anchorage.ak.us/planning/home3.htm>  
There is a full staff report on the Rasmusson PUD development planned for Atwood Drive. Hearings are underway and you may post any comments you have on any case directly on the website.  
The Anchorage Lutheran Church has plans to develop an Early Child Development Center at 1420 N St. Susie Mikkelsen ( [dickm@gci.net](mailto:dickm@gci.net) ) of Anchorage Lutheran answered members' questions and we will put this item on next month's agenda.
