Old Business

36th & MacInnes traffic signal

The light had originally gone out to bid for signal installation. The bid process was done in tandem with the bid for a signal at Providence & Spirit Dr. Due to unexpected issues, the bid will have to go out again within a week or two. It can take up to 6-8 months to get a pole ordered, delivered, and placement arranged. Our last time estimate for completed installation and functionality was July 2010. Based on the current delays, it may not be completed until September 2010.

New business

Notice to all council members- The Capital Improvements Projects (CIP) list is due in June. Please plan to attend our May meeting to discuss, revise and edit the CIP list.
