

Fairview Community Council
Resolution 2010-03

Whereas, the location of the Brother Francis Shelter and Bean's Café results in negative impact on the surrounding neighborhood; and

Whereas, the enforcement of policies, or lack thereof, of these institutions have caused or contributed to the reduction of quiet enjoyment, safety, and the health of residents of the Fairview Community.

Therefore, be it resolved that we, as a community, have a responsibility to hold such institutions accountable for their actions, or lack thereof; and

Be it resolved that we will report to the proper authorities and funding sources, including municipal and state agencies, the violation of conditional uses and leases—previously endorsed by this Council—and therefore demand that corrective actions be taken and issues addressed; and

Be it resolved that the aforementioned institutions must come into compliance or suffer the consequences of legal action, including, but not limited to, amendment of conditional use, cancellation of land leases, and monetary and punitive damages, as well as a demand to leave our community.

___ Approved ___ Disapproved this ___ day of ___, 2010.
