**Summary of Decisions & Motions Passed at
Turnagain Community Council Meeting December 2, 2010**

- A motion was made by Pat Kelly and seconded by Cathy Gleason to approve the October and the November meeting minutes. Motion passed unanimously.
- Gloria Manni moved for TCC to put together a package of park projects for a 2012 legislative grant request; Pat Redmond seconded. The motion passed unanimously. [Bill Wortman made a suggestion for the 2012 legislative grant request list: put together a package of lower-budget park projects (i.e., repair/replacement of signage, benches, picnic tables etc.) that need to be done in Turnagain.]

While no formal motions were passed,

- It was decided to do a TCC banner design contest sponsored by TCC and Turnagain Neighbors for the 2011 NUSA Conference next May in Anchorage. The TCC NUSA Tour Committee will come up with design criteria and ask people to submit proposals by February.
- There was consensus that TCC submit our previously approved CIP project ranking lists to Sen. French and Rep. Holmes without modification.
