

Fairview Community Council
Resolution No. 2011-01

A Resolution demanding a meeting with representatives of Highway-to-Highway to update the Fairview Community Council on its most recent activities and plans

Whereas, Community Councils are recognized by Section 8.01 of the Municipality of Anchorage Charter as mechanisms to “afford citizens an opportunity for maximum community involvement and self-determination;” and

Whereas, through AR 76-82, the Fairview Community Council was recognized by the Anchorage Assembly as an authorized Community Council under the Charter; and

Whereas, the Fairview community faces significant impact from the Highway-to-Highway project on the peaceable enjoyment and quality of life in our neighborhood; and

Whereas, Highway-to-Highway staff has submitted three routes to AMATS for the proposed project, all of which would significantly impact the Fairview neighborhood; and

Whereas, Highway-to-Highway staff has refused a request from the President of the Fairview Community Council for a meeting with the general membership to update the Community Council on its most recent activities, citing a “hold” on “public outreach efforts;” and

Whereas, the Fairview Community Council considers itself a stakeholder, which would give it higher standing than the general public.

Therefore, Be It Resolved that the general membership of Fairview Community Council demands a meeting with representatives of Highway-to-Highway to update the Fairview Community Council on its most recent activities and plans; and

Be It Resolved that should representatives of Highway-to-Highway fail to attend a meeting of the general membership, the Fairview Community Council shall protest the activities of Highway-to-Highway to AMATS, the Governor, the Legislature and its funding sources, and shall further request that funds related to this project be immediately withdrawn from the State budget.
