

East Anchorage District Plan

Community Workshop Tuesday, May 22nd

What does the future of East Anchorage look like to you?

Every person has valuable information to contribute; your voice is valuable! Roll up your sleeves for a map-based public workshop and share your ideas for the future of East Anchorage. Everyone’s input will help craft a vision of your community’s future. Workshop participants will also discuss potential strategies to achieve the community’s vision and specific community priorities.

Community Workshop Topics:

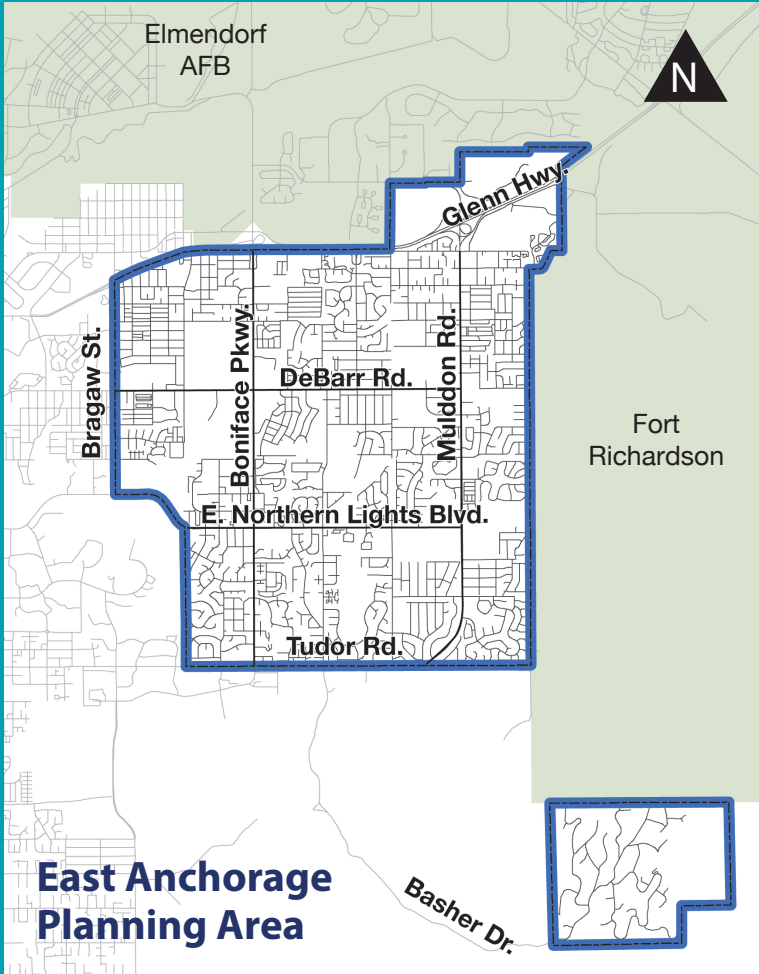

What road and trail improvements would help you get around your neighborhood?

What kind of housing is desired and needed?

What do you want your neighborhood centers to look like?

If you don’t already use transit, what improvements could be made that would encourage you to try it?

What are the most important places in East Anchorage that you would like to see more of?

Location:

Begich Middle School
7740 Creekside Center Dr.

Time: 6:00 -8:30 PM

East Anchorage District Plan:

As growth and new development continue, the East Anchorage District Plan will guide where housing, commercial and job areas are located and where to place new roads, trails and parks. The Plan will identify strategies and actions to create a thriving and vibrant district that reflects the community’s vision.
