Project Updates

● 35th Ave. & McRae Road Upgrade

On June 13th, the Urban Design Commission approved design plans for the 35th Ave. & McRae Road Upgrade. \$4,675,000 in legislative funding for the project was included in this year's State Capital Improvement list.

● West Anchorage District Plan

On July 10th, the Anchorage Assembly approved the WADP with a 10-1 vote. Unfortunately, **the Assembly did not consider any of TCC's recommendations/amendments on key issues important to our area**, including the deletion of a proposed comprehensive land exchange with the Airport that could include trading away Pt. Woronzof Park and a significant section of the Tony Knowles Coastal Trail for future airport development.

Many thanks to the hundreds of people who signed our petition, sent comments, and testified in support of protecting Pt. Woronzof Park and the EXISTING Coastal Trail and opposing another North-South Runway at the Airport!

● Ted Stevens Anchorage International Airport Master Plan

On July 17, the Airport and its consultants hosted an Open House to discuss an update to the 2002 Airport Master Plan. The PowerPoint presentation given at the meeting is online at: http://www.dot.state.ak.us/anc/business/communityRelations/presentations/ANC-MPU_PublicOpenHouse_2012July17.pdf. *The next public meeting will be held Sept. 19th (see details at left).* To sign up to receive updates for meeting notices and other information, email: contact@ancmasterplan.com.

"Unidentified Swimming Objects" Swim Club has a few spots available for swimmers aged 7 to 18. Practices are at APU's Mosely Center, Monday, Wednesday and Friday from 4 - 5:30 p.m. Dues go to pool rental & coaching. For more info, go to www.usoswimclub.org.
