Legislation enacted into law on June 6, 1985 requires that the Alcoholic Beverage Control Board provide notice to a "community council" about pending applications for liquor licenses. AS 04.11.310(b) requires the following two notices:

First -Notice of receipt of application March 13, 2013

The next ABC Board meeting will be May 30, 2013

Note: Board meetings and action on applications are governed by AS 04.06.050 and AS 04.11.510 respectively.

This letter serves to provide both notices. Additionally, under AS 04.21.010 the governing body (municipal council or assembly) shall provide notice to you "at least 10 days before the date set for municipal action on an application...". **Please contact your municipal clerk for scheduled review by the assembly. Comments you may have about the application should first be presented to your local governing body.**

If you have any questions, please do not hesitate to contact this office.

Sincerely,  
/s/ *Christine C. Lambert*
