

Fairview Community General Membership Meeting  
Thursday, December 12, 2013  
Fairview Recreation Center, 1121 E 10th Ave  
7:28 Call to order, SJ Klein - President  
Introduction of attendees  
Members in attendance:  
Quorum  
Guest in attendance:

Klein:  
Existing public review draft  
Public meeting with Planning & zoning  
Everybody has one more chance to make comments/say whatever you want  
Right now - doing a great job  
Take plan & amend incorporated & take to assembly

Need: What happens to our comments?  
Constant: Incorporated to find draft plan  
Klein: and that's me  
Constant: Planning & Zoning, it's already out there  
Fuhs: Planning & Zoning like what we do, not weaker than 2009; amendments good

Clarifications/questions:

H2H – buying into → up in the air  
Planning commission – thi is an issue not only in Fairview but whole city  
Traffic stabilize – may not need H2H  
Participate but not support one over the other

Moving target ?

Discussion

Loring: same thing again as before as last

Constant: Planning & Zoning cares about how you want to change zoning, building guidelines

Klein: Work session – public education can be put back in the plan

Need: H2H communication

Motion to ammend page 3 public  
over H2H covers - strike these words  
remains pertinent plant in introduction  
Constant seconded

Chamard: Council has pposition on H2h Plan, we want it revisited

Motion to table that amendment

Allen: Current language echoes controversial issue that council has to revisit

Constant : On motion H2H is officially dead – readdress question, game dissolve

Daryl: recognized while gov change concept

H2H impact future highway-to-highway

13<sup>th</sup> & Gambell improvement agree – that's why KUBOTA will still do phase 2

Needs: inserting H2H, plan relevant to our planning process, opportunity to do away current table

Motion to strke thes 3 words

8 in favor; 5 opposed – both amendments open for discussion

Paul: mentioned “homeless inebriates” → should be “ chronic public inebriates”

Motion to move the references be change

Passed unanimously; none opposed

Loring: promote lifelong learning

Arts & Music

Question on education

Daryl: Planning & Zoning altering neighborhood plan

Assembly make final decision

Patti: Public has identified too many liquor stores

Klein: that you think there are too many liquor stores?

Patti: Nothing in plan that addressed this discussion on liquor stores

Motion – delete item from this set, change liquor store

In favor 4; opposed 7
