

Taku/Campbell Community Council

March 20, 2014

To whom it may concern,

The Taku/Campbell Community Council unanimously passed a resolution at our meeting on March 13, 2014 supporting the Loussac Library Entryway Project. A presentation was given by the Anchorage Public Library and Anchorage Library Foundation. Please consider this our support for the project.

Thank you,

Jeff Landfield
President, Taku/Campbell Community Council
