

Taku/Campbell Community Council

March 20, 2014

To whom it may concern,

The Taku/Campbell Community Council unanimously passed a resolution at our meeting on March 13, 2014 supporting the project and grant request for Sylvan Drive. Last year, the legislature appropriated funds for the preliminary assessment. The requested funds would pay for the needed improvements.

Thank you,

Jeff Landfield
President, Taku/Campbell Community Council
