- ♣ **Anchorage School District** will detail 6-yr Cap Improvement program and how it relates to Turnagain area schools.
- ♣ Airport personnel will present DRAFT Preferred Alternative developed by them during their **GA Master Planning** process for Lake Hood & GA area.
<http://www.communitycouncils.org/servlet/viewfolder?id=861>
- ♣ **Turnagain Traffic Calming Study/Project:** Muni will provide update on traffic calming in Turnagain. This will be particularly relevant given the potential for high truck traffic intensity during PS10 and RID/LID/WID construction.
- 🚦 **Sewer Lift Station Project (PS10):** This was a good meeting held on Jan 12th to review status of PS10 project. It was well attended. AWWU project team committed to improving their engagement of the public on this project.
- 🚦 **TCC Web Page:** <http://www.communitycouncils.org/servlet/content/37.html> We will now post information, agendas, links, etc at the TCC web page.

DRAFT I. Turnagain Community Council
Regular Meeting Summary January 5, 2006

Cathy Gleason, Vice-President, called the meeting to order and made opening remarks.

I. Approval of Minutes. The November 3 and December 1, 2005 minutes were approved.

II. Assembly Report. Assembly members Dan Sullivan and Pamela Jennings gave the Assembly report.

III. Parks & Recreation Report. Doe Anderson, Northwest District Manager for Parks and Recreation, introduced the two new community planners who will be working at the Spenard and Fairview recreation centers and coordinating parks and recreational activities with the Anchorage schools. She discussed the Matching Challenge Grant Program from the Rasmussen Foundation that is available for local park and recreation improvements. The Council discussed and chose upgrades to Didlika Park as a candidate project for this effort.

IV. Spenard Youth Hostel. Bill Madsen, owner of the Spenard Youth Hostel, gave a presentation on his permit and zoning problems at his facility. He provided the results of his neighborhood survey concerning the Hostel and asked that TCC support his request for a waiver/variance from off-street parking requirements and his conditional use permit request for the existing facility. TCC approved his request and will write a letter to the Muni.

V. Community Policing Issues. Anchorage Police Department Sargent Cindi Stanton asked for community feedback on APD's performance.

VI. Sign Ordinance Amendment. Assemblyman Dan Sullivan discussed his proposed changes to the existing sign ordinance.

VIII. Platting Board's Action on Subdivide the Simonson Homestead parcel east of Pete's Place for a new AWWU Pump Station. Breck Tostevin and Bob Durst gave an overview of the Board of Director's request that the Platting Board delay action on the Simonson replat and the Platting Board's action approving the plat but granting the TCC's request for a natural vegetative buffer for the coastal trail. The Board of Directors was asked to consider additional comments to the Platting Board on as part of the February 1 Notice of Reconsideration on the conditional plat approval.
