Staff updated the board on a number of topics including:

- Preparing meetings for the upcoming Volcano eruption & additional communications.
- April is Volunteer Recognition Month and Councils are encouraged to nominate someone as their Volunteer of the year.
- Website Launch timeline and upcoming website trainings.

Attendees of the 2025 Vision Thru Action Summit spoke on their takeaways from the training. Surveys from the Summit show that attendees enjoyed the collaboration and the networking as part of attending.

Board Chair Mike Edgington brought a motion to the body regarding the Bulk Mailings Policy. He suggested that due to the boundary changes occurring this year, the funds should be used to inform those areas that their Council has changed. The following motion passed the body "Motion to suspend the bulk mailing policy for 2025. Funds remaining after the Council Boundary notices will be released back to the Councils and the Bulk Mailing Policy will be unsuspended."

A bylaw committee was formed. Mike Edgington will be Chair and the members will include Kandi Hayes, Kaitlyn Jackson, Sarah Preskitt, Evan Leaf, and Paul Schneider. If you are interested in joining the by-laws committee or any other committee, please email execdirector@communitycouncils.org.
