

Federation of Community Councils Manager's Report

January 16, 2019

Alaska Transportation Projects Fair

This is a great event where you can meet with managers of transportation projects all across Anchorage. 3 to 7 p.m. on Wednesday February 6th at the UAA Arena. Free parking. The Federation will have a booth if you are available to volunteer to tell people about community councils.

Anchorage Fur Rony Parade

Help get out the word about community councils by walking in the Rony Grand Parade at 10:30 a.m. on Saturday February 23rd in downtown Anchorage. Lots of fun. More information later in January (or contact Al Milspaugh at 333-6996.)

Thanks!
