  - A. Founders Forum. Some of our Hillside Founders, the people who helped create our community, will participate in a round-table conversation about life during that time. These are the persons who built our roads, placed our schools, and carved our community out of a rugged wilderness on the far edges of the new town of Anchorage. If you are one of our Founders or know someone who is, please include them in this annual event. Your unique insight is a valuable asset to all.
