Bus Service – in Eagle River Area

A number of local bus riders asked to address the Council (issue added to agenda).

They noted that the Mayor has a people mover proposal on his desk. It is not acceptable to the local area.

New plan will take the bus service down to one 12 passenger van.

There are more than 12 people currently riding the bus, as there are only 4 routes in the morning and 4 routes in the evening. Birchwood has lost bus service in the past.

Amy Demboski noted no assembly action required. Mayor decision.

Resolution: 2017-3 was proposed by Crystal Kennedy. Tom Freeman Seconded the motion.

The resolution opposed current plan and requests equal service be provided to Eagle River (See Resolution 2017-3 for wording)
