Eagle River Valley Community Council – High five from the State capital!

We are 51 days into the Legislative Session.

Senate Finance updates:

We have started the Senate Finance subcommittee process, where each Majority Finance member is assigned four Departments to extensively review their budgets. I am chairing the subcommittees for the Departments of Natural Resources, Labor and Workforce Development, Environmental Conservation, and Military and Veterans' Affairs. I held "Budget Overview" meetings for each of these Departments the last two weeks.

We are hearing a presentation on the Spring Revenue Forecast in Senate Finance tomorrow, March 13<sup>th</sup>. This information will give us a much better understanding of what we'll be able to afford as we continue to work on the budget.

There have been ongoing discussions between key Legislators and the Governor's office around public education funding and policy. Updates sound promising! Looking forward to reviewing their agreement.

Legislation updates:

SB 15, sponsored by yours truly, passed the Senate unanimously within the first 2 weeks of session, and was then sent to the House where the momentum and support continued through their process. SB 15 is currently sitting in House Rules awaiting to be calendared on the House Floor.

SB 15 allows young adults 18-20 years of age to serve alcohol in restaurants, breweries, distilleries, and on trains and boats, but not in bars. It's already in place in 47 other states and was requested by businesses in our community to help alleviate labor shortages and provide more job opportunities for our college-aged Alaskans.

With SB 15 mostly behind us, we've been able to look into my other bill, SB 26, eliminating daylight saving time. We're working on scheduling and information gathering, so stay tuned if you're interested in testifying.

Other Stuff:

Reminder: public comment for the 2024-2027 Statewide Transportation and Improvement Program (STIP) is open for review and comment through March 20, 2025. I would really like to encourage everyone to participate in this process so that the needs of Chugiak – Eagle River are heard.

Mark your calendars, 12-2pm on March 15<sup>th</sup> – your Chugiak-Eagle River delegation will be hosting a Townhall at Pizza Man. Come get the scoop (card)!

Anchorage Delegation Townhall is scheduled on April 5<sup>th</sup> from 2-4pm at UA Lucy Cuddy Hall, 3400 Seawolf Drive.

I hope everyone is enjoying this mild winter. Sorry to those of you that invested in a snow blower last year!

As always, please let me know if I can be of assistance.

Kind Regards,  
Kelly
