

# Old Seward Ocean View Council News

April 2010

## LAST MEETING UNTIL FALL!

### Agenda

- I. Review of Agenda
- II. Assembly Report – Assembly member Chris Birch , Jennifer Johnston
- III. State Report – Rep. Craig Johnson & Senator Lesil McGuire teleconference
- IV. Approval of financials
- V. Approval of Minutes
- VI. Capital Improvement Program rating review
- VII. Comments from the community
- VIII. Adjourn, next meeting is in the Fall

If you are interested in serving as an Officer of our Council, please contact Berni at 223-8533 to join us in our monthly Executive Committee meetings to find out what we do.

### Capital Improvement Program

At this time of the year, the Municipality of Anchorage requests projects for the Capital Improvement Program, a funding plan for local bond and state grant requests. Nine project management and engineering projects as well as two state road projects have been suggested for the Council area. Other ideas may be offered, and the Council has the opportunity to prioritize projects. Johns Road Upgrade was noted as a Capital Improvement Project several years ago and may be included in the State budget this year.

If you see a need for infrastructure improvement in our area, such as; stop signs, drainage, lights, and roads, please come to this meeting, we would love to get your input before submitting the priorities.

### Council Meeting Schedule for 2009-2010

All meetings begin at 7pm

October 14th	No meeting in December	February 24th	April 28th
November 11th	January 27th	March 31st	May 19th (Cancelled)

### Attention Aviators!!!

In recent months the EPA (in conjunction with Friends of the Earth) has announced plans to eliminate 100LL, AV gas with low lead. Approximately 95% of all commercial aircraft in Alaska require 100LL. No alternative fuels are positioned in time (target date of 2016-2017) to replace the standard 100LL Fuel. Non-lead fuel will not work in any aircraft engine over approximately 180 hp due to lead acting as an effective "lubricant" and contributing to combustion control by preventing detonation and pre-ignition. Un-leaded fuel options are economically costly and financially prohibitive, especially for the survival of over 400 outlying settlements in Alaska.

What does this mean? Unless someone can come up with an inexpensive device to adapt to current airplane motors to use non-lead gas before 2016, airplanes in Alaska, 95% of them, will be worthless. This is not only a critical to the aviation industry in Alaska, over 400 communities in our State will become completely isolated from receiving supplies.

This is a Federal Law and you may contact Murkowski, Begich and Young to stop this or request technology catch up with an economical way to adjust to this change.

*Your Community Council meets at Ocean View Elementary School in the Library. (See schedule above.)*

### Dues 2010

We are collecting  
membership dues for 2010

\$5.00 Individual  
\$10.00 Family

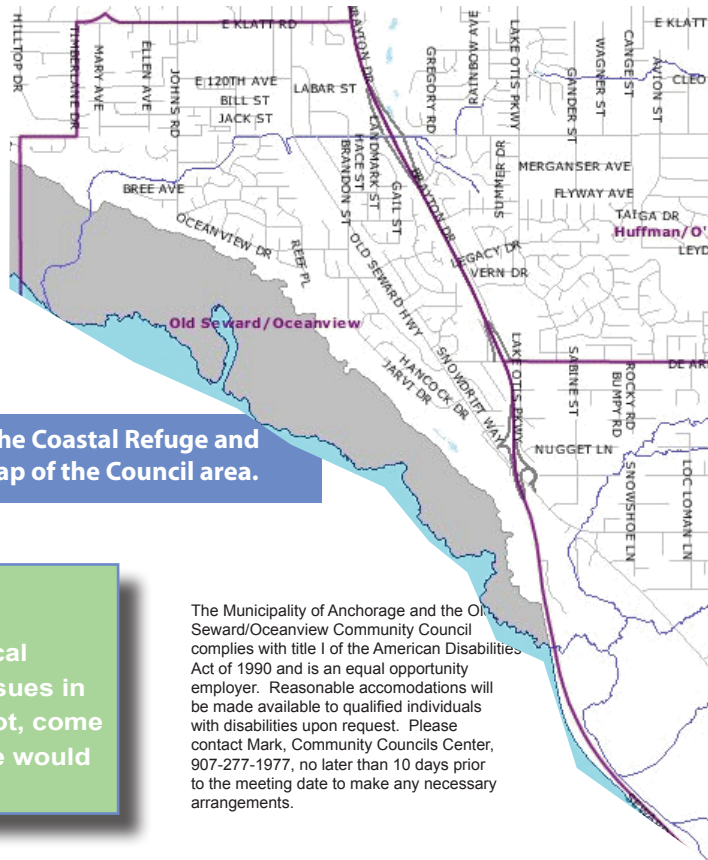

The Council borders are west of New Seward, south of Klatt and east of Timberlane.

Our Council area is a coastal community overlooking the Coastal Refuge and Turnagain Arm in Southwest Anchorage. Below is a map of the Council area.

## We Need Your Input

It is important to be a participant of your local community council. If you have questions or issues in your neighborhood, we are here to help you. If not, come join us at the meeting and introduce yourself, we would love to have you!

The Municipality of Anchorage and the Old Seward/Oceanview Community Council complies with title I of the American Disabilities Act of 1990 and is an equal opportunity employer. Reasonable accommodations will be made available to qualified individuals with disabilities upon request. Please contact Mark, Community Councils Center, 907-277-1977, no later than 10 days prior to the meeting date to make any necessary arrangements.
