Federation of Community Council Delegate Needed!

We are in need of some one from the community to attend the F.C.C. meetings and report back to the council. IF you are interested in this position and would like more information, please contact Bob Waites, Council President at 240-3807.

Council Happenings

We apologize for not having new information to present, there was a mix up in communications during the transition to New Officers and we failed to get a report from Lesil McGuire and Craig Johnson. Assembly persons Chris Birch and Jenifer Johnson we out of town and had nothing to report. We hope that they will all chime it at the March 24th meeting to give us updates.

The OSO Community council has acquired a folding sign to post on the side of the road on the days of council meetings. Signage is being generated at this time, we hope to have it out Thursday morning. With luck we will have a second sign available before the March Meeting.

Thank You For Your Service!

A warm thank you to Bernie Bradley (former President) and Terry Casdorff (former Vice-President) for their years of selfless service to the community while serving on the OSO Community Council. May we serve as well as you did to benefit the community.
