

## **Rabbit Creek Community Council**

**1057 W. Fireweed Ln. Ste. 100, Anchorage, AK 99503**

February 10, 2017  
Anchorage, Alaska

FOR GENERAL RELEASE

### **RCCC VOTES TO ENDORSE APRSA EXPANSION**

At the general membership meeting of the Rabbit Creek Community Council on February 9, 2017, the board and membership unanimously agreed to endorse Proposition 7, the expansion of the Anchorage Parks & Recreation Service Area (APRSA), which will appear on the municipal ballot for the April 4, 2017 general election. Voting members at this meeting included both residents currently within the service area and those who would be newly added to it.

This expansion affects roughly one-third of the RCCC's area. Besides impeding development goals and access to and enjoyment of our natural resources, the lack of Parks & Recreation services has allowed problems, some stretching back decades, to fester unresolved to the detriment of the community.

Thus, we encourage voters to vote "Yes" on Proposition 7.

Any questions can be addressed to the RCCC via the council's email at [rabbithcreekccc@gmail.com](mailto:rabbithcreekccc@gmail.com) or by mail to the letterhead address.

Sincerely,  
Adam S. Lees, Chair
