**Subject:** noise permits for events on the Park Strip

Hello – I am filling in for Janine Nesheim, who normally does our noise permits and handles noise complaints. I have assigned her to a District Inspector position because I have had two vacant positions for some time and we are behind in conducting inspections of restaurants.

I just issued two noise permits for events on the Park Strip and thought I would take this opportunity to let you know about them. I am not sure how or if we have given public notice on events other than posting on our web page. I imagine you all have better things to do than monitor our web page to see if there are any permits issued. Here is what is posted to the web page:

permit approved	ANCHORAGE CITY CHURCH (A.Z. ALVARO SUAREZ) [ <a href="#">notes</a> ] Event is from 7 AM - 4 PM Noise is not to exceed 70 dBA at the nearest residential property line; applicant must have qualified individual conducting monitoring to assure control of noise levels.	NOISE - PUBLIC EVENT	DELANEY PARK STRIP - MEMORIAL BLOCK	5/4/2013	5/4/2013
permit approved	HOPE COMMUNITY RESOURCES (MEGAN MOODY) [ <a href="#">notes</a> ] SPECIAL CONDITIONS: * Event setup approximately 6:30 AM - Event finished at 2:30 PM * No PA or amplified sound prior to sound check and set-up at 8 AM * DJ and amplified sound to be completed not later than 2 PM	NOISE - PUBLIC EVENT	WESTERN END OF DELANEY PARK STRIP	5/4/2013	5/4/2013

Please don't hesitate to call me at 343-4744 or call Janine at 343-4786 if you have questions or comments.
