19:43:20 From James_Deanna to Everyone : Chris, please include a review of the public testimony from ao2020-58, regarding the B3 zoning from last summer, in making your decision. As a constituent, I am still uncomfortable with the change in zoning. I am unconvinced there is a need when there is still PLI zone land available, such as Mental Health Trust land. Let's work with partners before zoning changes. Thanks.

20:19:46 From Erica Lambers to Everyone : out of curiosity, what is the exact definition of traffic calming?
20:19:56 From cheryl to Everyone : Sounds good.

20:20:43 From Harry & Leslie Need to Everyone : Thank you. (I'll get to work on a draft resolution for traffic calming and planning for adjacent land use at our council's sections of I, L and 15th.)

20:20:44 From Erica Lambers to Everyone : where will the plant sale be? what date?

20:21:49 From akkic to Everyone : The traffic heading south on L Street has gotten very loud with cars racing...starting about 8 or 9 pm.

20:21:58 From cheryl to Everyone : Traffic calming consists of physical design and other measures put in place on existing roads to reduce vehicle speeds and improve safety for pedestrians and cyclists. ... Traffic calming measures can be implemented at an intersection, street, neighborhood, or area-wide level. per USDOT.

20:22:16 From tesche to Everyone : I will help.Sounds like fun.

20:22:22 From Erica Lambers to Everyone : thanks for that definition!

20:23:39 From cheryl to Everyone : Trish and Jay, I can provide you with the documentation of speeding that ADOT provided SACC within the last couple of years on I and L. Can you get your email address to me?

20:46:17 From Ruth Ann Jennings to Everyone : I need to see what the memorial is to look like.

20:47:43 From Cecelia Donelson to Everyone : There's many that think the Park Strip has too many Memorials to begin with

20:48:21 From Butch Moore to Everyone : Thank you everyone.

20:48:39 From James_Deanna to Everyone : Agree, Pam. Please don't be embarrassed. The sites are in the plan document, so we all need to take a look at the proposal, representation of all that Bree's Law represents, and the best placement. Thanks everyone for understanding.

20:49:41 From Patrice Parker to Everyone : I'm all for Bree's Memorial being placed in the Park.

20:50:04 From James_Deanna to Everyone : I believe the consultants were asking us to take a look at the sites, right? They are hoping to get our feedback, and then be a part of the installation? I am not against the memorial perse, but need to read the document.

20:51:16 From Fran Durner to Everyone : Can the document be added to the chat?

20:51:29 From Tom Begich to Everyone : This is not the same proposal as the one from two years ago. Nor is a vote from two years ago necessarily a reflection of today.

20:53:29 From Patrice Parker to Everyone : Good point, Tom.

20:54:31 From James_Deanna to Everyone : Thank you, Butch, for all your work to help others. I'm looking forward to reading the document and considering the best placement to further the message.
