20:03:23 From Harry & Leslie Need : Thank you for your work. Curious how the comments for the CC were overlaid on the 5 distinct neighborhoods? Were the comments specified by locality?  
20:08:09 From Maggie Kelly . : Thank you to all that have worked on the plan! Let's keep up the momentum and get the committee rolling!

20:18:09 From cheryl richardson : to Harry and Leslie Need and all – From what I can tell, neighborhood concerns are focused on the "old South Addition" which typically refers to 10th to 15th C to L, plus 10th and 11th avenues west of L.  
20:22:09 From David Ustick : depending on the drive of this new committee... I would be interested.  
20:22:12 From Sarah Kleedehn : I would like to know more about the

neighborhood committee. I may be interested in joining. Thank you!

20:24:21 From Moira Smith : Señora Bundtzen and Principal Ahrens run an absolutely fantastic school. We are so lucky they are in our neighborhood!

20:27:02 From leila wise : Meghan, do you still need Spanish-English dictionaries?

20:28:58 From Beth Daly Gamble : ¡Gracias, SACC!

20:33:35 From cheryl richardson : We do have a diverse neighborhood in terms of building types ie Bootleggers Cove (R3), Inlet View (R2 and R2D). Perhaps we might start with the streets that are most vulnerable to harm from our current zoning regulations?

20:34:56 From Patrice Parker : Thanks, Robert. I agree with you.

20:40:55 From cheryl richardson : And that should have been 10th to 16th, C to L, plus 10th and 11th L to the Inlet.

20:41:00 From David Ustick : how is the (any) request filed

20:41:42 From cheryl richardson : Hans, are you saying the Ex Com will determine this list based on members' comments?

20:43:37 From cheryl richardson : How can members learn about all comments received? In the past such lists were built in open, monthly community council meetings.

20:44:42 From cheryl richardson : Cecilia, yes, 9th to the Inlet too. Sorry!
