#### MOTION

Move that the South Addition Community Council (Council) President designate an individual and give that said individual the necessary access and responsibility to record the regular meetings of the Council and retain all written communications and or comments addressed to the Council for the sole purpose of posting said recorded meetings and written statements on the Federation of Community Council's website or other appropriate website; motion was second and passed unanimously.

19:16:24 From edwinosowski to Everyone : I think most of the credit unions offer free accounts

19:16:50 From Fran Durner to Everyone : Consider switching to CU1 - I don't think they have such a high balance requirement.

19:20:14 From Cathleen Hahn to Everyone : thanks for the suggestions, will do

19:21:28 From Brix Hahn (staff to Sen. Tom Begich) to Everyone : Good evening all, thanks so much for having me today and I'm so sorry Senator Begich isn't here. Please email me Brix.hahn@akleg.gov or sen.Tom.Begich@akleg.gov with any questions, comments, or concern. Thank you!

19:24:32 From cheryl richardson to Everyone : supporting the motion - by whom? - to record and post regular SACC meetings and retain all on FCC's or other appropriate website.

19:43:29 From cheryl richardson to Everyone : SACC's Executive Committee committed two years ago to raise money to produce the Neighborhood Plan. But I still have not seen any effort to do that? And the 10K the muni provided is almost gone, with little result. The Neighborhood Plan Steering Committee submitted a budget two years ago, and I'm remembering 30K to complete the plan? Again that estimate was built with help from Agnew Beck, who has given many, many volunteer hours to protect Anchorage's neighborhoods.

19:52:42 From cheryl richardson to Everyone : fyi: my last post was written while Christopher Constant was explaining the MOA is unlikely to provide more money for SACC's Neighborhood Plan.

19:54:28 From cheryl richardson to Everyone : So, last month's meeting and its diatribe is not recorded or available to the neighborhood. And now we are discussing how to restrict future side communications?
