20:16:40 From Tom Davis - MOA Planning : <https://www.muni.org/Departments/OCPD/Planning/Projects/AnchLandUse/Pages/Actions4-3%264-6.aspx>

20:16:54 From Fran : Information on Title 21 Amendments and links are on our SACC webpage.

20:21:42 From cheryl : this ordinance is the next step - using maps - to delineate traditional urban neighborhoods. it sets different standards for so addn and other trad. neighborhoods, 'relationship of the pedestrian to the street and to the homes along the street.' this is a huge part of what makes so addn special, and needs to be defined.

20:22:20 From cheryl : also, I look forward to inlet view getting protections along with so addn.

20:24:08 From cheryl : one reason to participate in this discussion is - are moa's standards appropriate? are they more or less than what we want for south addition's future?
