If you add two new members is there sufficient time to change  
the building location by your deadline?

19:56:14 From Daniel Volland to Everyone:  
Hey all, it's tough for the Chair to track questions both on  
screen and in the chat - please raise your hand emoji to be recognized  
rather than post questions in the chat.

19:56:20 From Paul Baril - Nvision Architecture to Everyone:  
You are welcome Aurora.

19:56:36 From Daniel Volland to Everyone:  
Also, per Robert's Rules, each speaker may be recognized twice  
on the same issue.

19:57:44 From Trish O'Gorman/Jay Holtan to Everyone:  
Pls comment on criteria that the 2 new members NOT be a  
parent.

19:59:22 From Moira Gallagher to Everyone:  
Trish - do you mean parent of a current student? most people  
in this neighborhood have children.

20:00:44 From Trish O'Gorman/Jay Holtan to Everyone:  
I think I read that the 2 new people would not be a parent.  
Just wondering why the limitation

20:06:01 From David Hansen to Everyone:  
Charlie Peters can you please list the current design

committee members again for me please

20:06:46 From Tom Begich to Everyone:

To clarify, the school is in the Bond, but the language has not been finalized yet. President Bellamy indicated to us tonight that the language will not be finalized until next month. My office is continuing to work with her and ASD on this.

20:09:39 From Zack Fields to Everyone:

To be clear, I think everyone who's expressed interest IS a parent!

20:15:03 From Lois Epstein to Everyone:

I am concerned that the BDC added Moira Gallagher without going through the SACC process that we are going through tonight.

20:15:19 From James 's iPhone to Everyone:

Is he annoyed?

20:15:47 From Zack Fields to Everyone:

To be clear, SACC asked for at least one more seat and ASD is adding 2. Parents already represent multiple other seats..which is great.

20:15:52 From Rachael McKinney to Everyone:

I agree. It feels unfair that someone was nominated to the committee at this late stage while others have to be voted on., and I don't feel that these concerns have been properly addressed

20:17:03 From Zack Fields to Everyone:

I also want to note ASD didn't have to ask SACC for input on additional BDC members at all...we didn't even ask for that. They voluntarily sought more input

20:18:24 From Trish O'Gorman/Jay Holtan to Everyone:

That is helpful to hear that explanation

20:18:26 From Ken Gutsch and Rebecca Rogers to Everyone:

She does not live on M Street....

20:18:57 From Matthew Courtney to Everyone:

My hand is also up

20:19:09 From Fran D to Everyone:

Actually Zack, the SACC Executive Committee sent letter recommending adding three additional members to the BDC to balance out the number of "civilian" members.

20:21:54 From Rachael McKinney to Everyone:

We're others who lived on M Street asked as well?

20:22:13 From Harry Need to Everyone:

Mrs. Gallagher is the SACC Past President and she lives on M St - I'm fully confident that she will represent the neighborhood's best interest

20:23:54 From Aurora Courtney to Everyone:

No one asked me! I am on M St... No kids at Inlet view.

20:25:34 From hans to Everyone:

yup

20:27:11 From Fran D to Everyone:

Thank you Christopher!

20:27:22 From Amanda Compton to Everyone:

"Being gentle" on neighbors means putting the design on the

north side.

20:27:26 From Harry Need to Everyone:

Thanks, christopher

20:27:29 From David Evans to Everyone:

Well said, Christopher.

20:27:34 From Aurora Courtney to Everyone:

I appreciate what you do and say Chris. Thank you for being you.

20:27:40 From Elias Rojas (he/him/his) to Everyone:

Thanks, Chris!

20:29:27 From Aurora Courtney to Everyone:

Can we recommend them all?

20:30:05 From Aurora Courtney to Everyone:

As SACC I mean, can we recommend them all?

20:32:21 From Matthew Courtney to Everyone:

If we vote, we are agreeing to 2 members

20:32:25 From Matthew Courtney to Everyone:

We don't agree

20:32:57 From Matthew Courtney to Everyone:

We want 1 from all 4 sides

20:33:11 From Lois Epstein to Everyone:

Paul - We did not question the perspectives of existing BDC members. Our point is that those living adjacent are more familiar with water, traffic, and shadowing issues.

20:33:53 From Aurora Courtney to Everyone:

Sounds like we have all 4 sides are represented... Give the BDC all of the volunteers names to choose.

20:34:49 From Matthew Courtney to Everyone:

The neighborhood wants all 4 of them voted in

20:35:15 From Deborah Hansen to Everyone:

I think Moira should give up her seat and vote all 4 in.

20:35:20 From Amanda Compton to Everyone:

But everyone else on the BDC wants the south end, so adding more people who would like it on the north end is actually making it more equal.

20:36:18 From Matthew Courtney to Everyone:

My hand is raised.

20:36:32 From Moira Gallagher to Everyone:

Is there someone else from south M street who wants to be on the committee?

20:36:42 From Deborah Hansen to Everyone:

Sharon Meecham

20:37:20 From Moira Gallagher to Everyone:

got it

20:39:26 From Bill & Patrice Parker to Everyone:

Aren't there 5 candidates?

20:39:42 From Moira Smith to Everyone:

Was there another motion on the floor?

20:42:15 From Deborah Hansen to Everyone:

It's not generous- It's our tax money too!

20:42:57 From Daniel Volland to Everyone:  
Martin, you're on mute

20:47:20 From Tom keane to Everyone:

20:47:41 From Tom keane to Everyone:  
Tom keane and Peerooza Hataria

20:48:59 From Elias Rojas (he/him/his) to Everyone:  
wait did you ask for a no vote?

20:53:00 From Bill & Patrice Parker to Everyone:  
When two people from one Zoom vote, are you counting the extra vote? Trish & Jay are voting together. And Bill & I are also.

20:54:29 From Lois Epstein to Everyone:  
Parry - Are you open to new information that might change your view on the proposed design and location?

20:54:34 From Fran D to Everyone:  
If more than one person is voting on a screen, we need to see both people in the window to vote.

21:01:22 From Lois Epstein to Everyone:  
As the person who seconded the motion, I am supportive of taking the vote to have at least two new BDC members.

21:01:55 From Elias Rojas (he/him/his) to Everyone:  
how many people are voting for?

21:02:52 From Ashley to Everyone:  
"Todd's iPhone" is Todd List 1521 I St. He says he can't find the chat on his phone.

21:03:44 From Bill & Patrice Parker to Daniel Volland(Direct Message):

21:05:27 From Amanda Compton to Everyone:  
How would we add David McCarthy's name to the list or to the BDC if Moira's willing to step down?

21:08:19 From Fran D to Everyone:  
Congratulations to the new members of the BDC.

21:08:47 From David McCarthy to Everyone:  
As Moira has suggested I have would like to take her seat on the BDC. Thank you for your consideration Moira.

21:09:26 From Cecilia M's iPhone to Everyone:  
It's only fair that that seat be opened to everyone

21:09:35 From Paul Baril - Nvision Architecture to Everyone:  
Thank you everyone for participating and wanting to be involved. We look forward to working with the new BDC members.

21:13:17 From Fran D to Everyone:

Thank you Paul and Charlie for working with the SACC.

21:14:27 From Moira Smith to Everyone:  
Thank you to Hans and Harry for their volunteer work on this, including shopping it around to the Municipality.

21:16:01 From David Hansen to Everyone:  
Moira, you're back! What do you think about David McCarthy having the seat you offered up?

21:16:41 From Moira Smith to Everyone:  
This is Moira Smith, not Gallagher. I am happy to say I have no seats to offer up.

21:16:42 From Daniel Volland to Everyone:  
Different Moira (Moira Gallagher is the recent BDC appointee)

21:17:33 From David Hansen to Everyone:  
oops my apologies

21:18:54 From Elias Rojas (he/him/his) to Everyone:  
Seriously, both Moira's I am confident would be great on the BDC. We have some good representation going lets move on.
