20:25:14 From Moira Smith : Thanks Pam. I take your point but I'm concerned that the

20:26:31 From Anna Bosin : does the ADU need to have a foundation? or can trailers
being installed?

20:27:39 From Pam Tesche : Moira, the original ADU required that it had to look generally
like the original house.

be used for air bob.

20:31:33 From Pam Tesche : If we allow uber wealthy out of state owners to purchase
prime properties, and use them as short term, we as citizens of Anchorage, and our

1) Ensure that accessory dwelling units maintain and are compatible with the appearance and
character of the principal residence, lot, and neighborhood;

20:34:13 From Moira Smith : Completely agree that we have hard policy choices to make
with regard to affordability and preserving our historic character.
