

Minutes
South Fork Community Council
November 3, 2022

1. Call to Order at 7:05pm by **Scott Myers**, President, at Eagle River High School. A total of 9 participants with several guest speakers (see below). Introductions made.
2. Agenda approved without additions or amendments.
3. Minutes approval for October postponed to December's meeting.
4. Guest Speakers:
 - a. **Nancy Clark, Eagle River Library** shared upcoming events and that the digital magazines are now available in the library database digitally.
 - b. **Cliff Cook, Community Patrol** shared that the Community Patrol worked 19 hours and covered 176 miles. Encourages people to continue to be vigilant and lock and close their garage doors at night. Gas theft is becoming more common. If you see a crime, report it to APD so they know how many officers to assign to the CER area.
 - c. **Amy Demboski, MOA Manager's Office** will be sending an email about Eagleexit to the CER Advisory Board. The newly hired Parks and Rec Deputy Director will be housed in Eagle River. The State of Alaska reimbursed more than expected (\$23 million) of ambulance transfers so the extra money will be used on fire and police vehicles. The MOA is also experiencing staff shortages, lack of applicants.
5. Old Business
 - a. **Cannabis Store:** No updates
 - b. **Parks and Rec Committee:** Position still vacant
 - c. **Geotechnical Advisory Commission:** Looking for Eagle River architect candidates
6. New Business
 - a. **MEA:** Job at Mile 2 is completed
7. Committee Reports
 - a. Road Board still discussing the bridge construction. Moved and seconded to make Lee Hammermeister the primary Road Board rep, approved unanimously. Still need an alternate.
 - b. Stephen Romanelli is Seat A for Parks and Rec; still need a Seat B rep.
8. Good of the Order: Nov 21st is the Anchorage Blessing for low income families. There was an active shooter hoax call in to ERHS, not a local call. Schools in ASD are being cut because of decreased student enrollment which results in a decreased budget.
