New Website

The Federation of Community Councils is excited to announce the launch of our new website. The website now features increased functionality such as Search functions, up-to-date [meeting calendar](#), and Public Notices pages for every council.

Links from emails or documents pre-April 2025 may no longer work. If you are looking for something and cannot find it, email us at info@communitycouncils.org. Thank you for your patience and support as our team continues to work on updating the website.
