Around Anchorage Transit Survey

The Municipality of Anchorage is developing a plan to better meet the transit needs of residents in the Anchorage-Chugiak-Eagle River area so you can get where you need to go easily and safely. If you complete a transit rider survey, you'll help guide the plan and will be entered to win one of ten \$25 gift cards. It's great odds for winning! Winners will be notified on August 28th. Muni 50th - Sharing Stories, Making History

This year marks Munification – the 50th anniversary of the unification of the City of Anchorage and the Greater Anchorage Borough. We're collecting short histories of local communities and cultural groups to share. Do you belong to a unique community that has an interesting story to tell about your relationship with Anchorage? Whether you're a cultural group, a civic organization, or a community with a shared interest or background, we want to hear your story!

Please take our short survey to share the history of your community and we'll turn your submission into a piece that we'll preserve in our Municipality's history. Surveys are due August 6th.
