New Grant Program for Downtown

The Anchorage Community Development Authority (ACDA), through its EasyPark division, is excited to announce the launch of the Park It Forward: Downtown Anchorage Grant Program—a bold new initiative that reinvests parking meter revenue into local projects that spark energy, creativity, and life in downtown Anchorage.

The program is directly shaped by findings from ACDA's Downtown Community Survey, where 747 respondents called for:

- More public art and murals
- Vibrant public spaces and creative events
- A stronger, people-first downtown identity

Applications are open from September 18 - October 9, 2025. Awards will be announced within 4 weeks of the cycle closing.

For more information or assistance with your application, contact Melinda Gant at mgant@acda.net.
