Our Muni, Our Budget Community Discussion

Tuesday, Oct 28, 2025, 5:30 - 7:30PM

@ BP Energy Center, Birch Room

Join a civic conversation hosted by Assembly Members Anna Brawley and Erin Baldwin-Day. We want to talk about how the budget is right now, what will happen in the future if we don't make changes, and start considering our options.

So we're putting it all on the table, not trying to craft all the solutions in one evening, but asking people: What does Anchorage need? What do you want? What are you willing to pay for? And, what are you willing to cut? We're not going to walk out of that meeting with a new budget, but we'll start talking about what's most important to you.

While this meeting won't be livestreamed or video recorded, we will share back some takeaways from our conversation afterwards, as well as continue to collect the public's questions about our budget and fiscal picture, and work to keep providing the information people want in order to understand where we are, and make choices in the future.

Free childcare available. Dinner provided.

Grant Opportunity from the Wildflower Garden Club of Alaska

The Wildflower Garden Club of Alaska (WGCA) has annually made grant funds available to nonprofit organizations, which includes community councils. The purpose of our program is to encourage botanical education.

The club has budgeted \$1,000 to fund grant programs in 2026. The minimum that can be requested is \$200.

The deadline to apply is January 31, 2026.
