Local Lens: Assembly Progress Report with Chair Constant

Monday, April 20 @ 6pm | Zoom

Marking his last few weeks in office, Assembly Chair Christopher Constant will report on the work of the Anchorage Assembly - highlighting the impact of their efforts to spur new housing development, support small businesses, and increase public safety in our neighborhoods and on our roads, parks, and trails - while looking back on his nine years of service on the Anchorage Assembly and being part of the long, amazing local story shaped by the many leaders, friends, and neighbors in the Anchorage community.

After presentations, there will be a chance for the audience to get their questions answered
