10,000 Homes in Ten Years Community Open House

Anchorage needs more housing—and Anchorage is working toward 10,000 homes in the next decade. Join Mayor Suzanne LaFrance for an open house to learn what's been done so far, what's coming next, and share your ideas on how we move forward together, as a community.

You can ask questions, give feedback, share your ideas to reach the goal, and help shape Anchorage's housing future. All are welcome.
